Summary

1. The LME has been monitoring the impact on the LME market of the situation in Russia and the Ukraine, as well as the recent low-stock environment and high pricing volatility environment observed in various LME base metals and in particular Nickel. With immediate effect, and following the suspension of the LME Nickel market announced in Notice 22/052, the LME (acting where required through the Special Committee) has determined that it is appropriate in the circumstances to take the following actions in respect of physically settled Nickel Contracts: (i) cancel all trades executed on or after 00:00 UK time on 8 March 2022 in the inter-office market and on LMEselect until further notice (**Affected Contracts**); and (ii) defer delivery of all physically settled Nickel Contracts due for delivery on 9 March 2022 and any subsequent Prompt Date in relation to which delivery is not practicable (as determined by the LME and notified to the market) owing to a trading suspension in line with the process in this Notice.
